## Course Outcome

## Fifth Semester:

| SL. NO | SESSION | SEMESTER       | PAPER CODE | PAPER TITLE                    | COURSE OUTCOME   |
|--------|---------|----------------|------------|--------------------------------|--|
| 1.     | 2024-25 | FIFTH SEMESTER | 5.1        | Classical Political Philosophy | This course goes back to Greek antiquity and familiarizes students with the manner in which the political questions were first posed. Machiavelli comes as an interlude inaugurating modern politics followed by Hobbes and Locke. This is a basic foundation course for students.   |
| 2.     |         |                | 5.2        | Indian Political Thought-I     | This course introduces the specific elements of Indian Political Thought spanning over two millennia. The basic focus of study is on individual thinkers whose ideas are however framed by specific themes. The course as a whole is meant to provide a sense of the broad streams of Indian thought while encouraging a specific knowledge of individual thinkers and texts. Selected extracts from some original texts are also given to discuss in class. The list of additional readings is meant for teachers as well as the more interested students |
| 3.     |         |                | DSE-1A     | Contemporary Politics in Assam | The primary aim of this paper is acquaint with the students with the politics of contemporary Assam and its neighboring states. Moreover, being located in the Northeast region it is invariably the concern of the students to have proper understanding of the region.   |
| 4.     |         |                | DSE-1B     | Dilemmas in Politics           | This course is designed to explore, analyze and evaluate some of the central issues, values and debates in the/ contemporary world that has a bearing on normative political inquiry. The eight issues selected as dilemmas, though not exhaustive, are some of the salient ones discussed across societies  |
