Programme Outcome

Session: 2023-24

The programme will apprise the students with the theories of political science, relevance of the theories. The program will help the Students to critically think and analyze dynamics of Indian politics and contemporary political phenomenon. The Students will also familiarise with great Indian thinkers. The programme will also provide the Students about a comprehensive understanding on contemporary administrative development and provide information on Indian Administration, the basic intellectual tools for understanding International Relations. It will provide an insight on recent trends of India's foreign policy. The program will acquaint students with concepts of human rights and different challenges. It will also enable Students to critically think on gender issues and formulation of policies to mitigate problems pertaining to women issues. The programme will also provide a comprehensive understanding on the most important multilateral political organization like UNO and its performance at global politics. The programme will familiarise the students with the moral base thinking of great Western and Indian Political Thinkers from ancient to modern. The programme will also acquaint the Students with the politics of contemporary Assam.
